To the entire faculty of Marlinton High School, we, the Senior Class, dedicate this 1969 Marlintonian. We could never reach this position without their effort, guidance, and understanding. Our thanks along with our respect and affection go to them.

I want to thank the Seniors for their cooperation during the hardships we have had to endure. Only by your patience have we been able to accomplish what we have. I hope that the trials you have had will better prepare you for your life's work.
Best of luck.

A LISTENING EAR, AND A WORD OF WISDOM

GUIDANCE COUNSELOR—JAMES SIMMONS

SENIORS:

Look Forward! A new and exciting life can be beginning for you. Hold on to your memories of your high school days, but don't live in the past (don't be a "has been"). Up to now you have been led and told, now the decisions are yours. There is a place for each of you in the world into which you are stepping. Find your place early and live in contentment and progress.
